Charming Pet Rescue:

8430 Flint Rock Dr
Boerne, TX 78006

Initial supplies we can provide include: kennel, bed collar, leash, bowls.

Ongoing supplies: Food, monthly heart worm and flea/tick prevention, supplements, medication, and pee pads, if needed, can be picked up at the rescue. Please arrange with the program coordinator on what time you'd like to pick up OR let her know if you need them transported to you if you live within 10 miles of the rescue. Of course you are welcome to purchase whatever you'd like for your pet, but you will not be reimbursed by the rescue.

Veterinary care:

If you think your pet needs to see a vet, please contact the program coordinator with details about what's going on. Oftentimes, they just need a medication we have available at the rescue. If transport is needed to/from the vet, she can work with you to provide it if you live within a 10 mile radius of the rescue.

We do not cover unauthorized vet visits, so please talk to the program coordinator before going to any vet.

Disclaimer:

If you can no longer care for the pet, please contact the program coordinator ASAP to arrange return the pet or if a family member would like to adopt the pet, that is also possible.
